## The Search Goes On

The Search Committee has been busy revising and updating the Church of the Resurrection Profile. This document includes a history of the church from its beginning in 1964 to the construction of the building in 1968, all the way through Mother Tasha's service as Rector. It also describes the many ministries going on at COR. An electronic copy of the profile will be available to all on the website and printed copies will be available at a nominal cost to offset printing costs. The profile will also include the results of the parish survey. At this writing, almost 100 parishioners have responded to the survey. Results will be summarized after Easter and posted at the Church. Thank you to all who completed the survey.

The timeline for the Search has moved a bit. We now expect the profile to go to Bishop Michael in the middle of May and hope for a completion of the search process by July, with a new Priest-in-Charge arriving in September. Our main interest is in finding the right person to call as our new spiritual leader. Stay tuned and feel free to contact any of the Search Committee members (Dave Beuerman, Ellen Cabeza, Kathleen O'Gieblyn, Tim Rake, Lucy Strandlien, Dick Zeller) with your questions or concerns. Your prayers for our work would also be very helpful.

## **What is your passion? Bring it for a "SHOW & SELL" Sunday, May 15, after 10:30 service**

Piecemakers are inviting everyone at COR to bring their passion to share with everyone at church and/or sell. You know, that special something that makes you happy – like Painting, wood workings, sewing, gardening (I have some plants), baked goods (There's been talk about some pasties) jams, jellies, pickles, jewelry making, pottery ----- quilts - whatever!

As you know, we have recently refurbished our Parish Hall downstairs --and to make it more complete we would like to buy some new round tables to match the ones that Piecemakers have provided for us. We will use the money to buy those tables and also replenish the Piecemakers coffers. We will set up downstairs for the sale midday on Saturday, May 14th. Bring it on down and set up your display!!

### **Mission Statement**

*The mission of the Church of the Resurrection is to invite all people to unity with God and each other. We pursue our mission as we pray and worship, proclaim the Gospel, and promote justice, peace and love.*

### **Vision Statement**

#

The Church of the Resurrection exists to spread God's love into the world through teaching and action consonant with the traditions of the Episcopal Church. We envision a world in which baptismal vows are made real by the expression of these core values:

- ❖ We welcome all to join us in worship and ministry
- ❖ We respect the dignity and unique gifts of every human being
- ❖ We seek and serve Christ in all people, loving our neighbors as ourselves
- ❖ We desire to grow as a community of God's people by reaching out to others
- ❖ We strive for justice and peace among all people
- ❖ We desire to be active in the world as witnesses of God's love
- ❖ We pledge ourselves to compassion and service, supporting one another in local, national, and international ministries

## Home Starter Kit

The year began slowly for the HSK program. Many agencies have been unable to help people find new homes due to a freeze on federal funding for Section 8 housing and the generally poor economic conditions in the area. In the last three weeks, however, things have picked up, with multiple requests arriving.

Linda Shield contacted the Hilton Hotel and was able to arrange for a gift of hundreds of bed spreads which will now become a feature of each Home Starter Kit. Thanks to Linda for working with the Hilton to make this happen.

Bath Towels and Toilet Paper are always welcomed as donations to the program.

## Vestry Roles

The work of the Church of the Resurrection Vestry is crucial to the life of our parish, as are the various ministries that we have. So that we all connect, certain Vestry members have liaison roles with several of our ministries. Vestry liaisons are a communication link between the Vestry and the ministry. The 2011 Vestry liaisons are as follows:

Adult Ed/Christian Formation - Kevin May  
Children's Programs - Brian Henley  
Music - Dave Beuerman  
Outreach - Ellen Cabeza  
Property - Keith Pruett  
Stewardship - Cathy Seltzer

In addition, the following committees have Vestrians as members:

Search Committee - Dave Beuerman & Ellen Cabeza  
Finance Committee - Nick Crump & Jerry Jacobson  
Endowment Committee - Jane Smith

In the role of Co-Junior Wardens are Nick Crump and Kevin May. The Vestry Clerk continues to be Kevin May, and our Treasurer is Ty Zeller. The role of Senior Warden-Elect will be decided later this year. I believe Resurrection has a great Vestry team, and we are here for you. Please feel free to call on us for whatever reason.

Jerry Jacobson  
Senior Warden

**Children's Day in the Valley.** Children grades K through 5 along with adults who care for them are invited to a full day of hands-on science, music, drama arts and crafts, games and worship on Saturday, May 21 at St. Thomas, Eugene;. Day begins at 9 AM. Cost is \$5 per person which includes snacks and a lunch. Scholarships are available. Each person is invited to bring a penny for each year of their age. # Meet the Sr. & Jr. Co-Wardens of Church of the Resurrection

I have been coming to Church of the Resurrection for over six years, and have been on the Vestry for the last two years. Other church involvement includes Outreach Commission, Eucharistic Minister, Usher, Lector, and past President of the Dishwashing Club. Eugene is my hometown, moving here at a very early age in 1949 from Portland. As Senior Warden I spend a lot of time at church, but find time to lead a LGBTQ social/outdoor group, the Talkie Walkies. I treasure being at home with a good book and a cat or two on my lap, or tinkering in my garden.

*Jerry Jacobson  
Senior Warden*

The main role of a Senior Warden is to be the lay partner with the rector or priest-in-charge. During the interim period with no clergy, the Senior Warden provides the leadership for Church of the Resurrection, functioning as the communication link with the diocese, convening and presiding at Vestry meetings, providing for supply clergy for worship services, and using the talents of the parish for addressing the many issues and tasks that arise. My focus during this interim time is to work with the Search Committee and Vestry in finding a priest-in-charge that is the best fit for our parish, to make that transition as smoothly as possible, and to constantly improve communication to congregants. And to always have faith, food, and fun!

My name is Nick Crump. Along with Kevin May, I am Co-Junior Warden for 2011. I was raised in the Episcopal Church and first came to Resurrection in 2006. In January of 2011, I began a three year term to serve on the Vestry. I am also a member of the Finance Committee, the Property Committee and the Families and Youth Committee.

*Nick Crump  
Co-Jr. Warden*

The role of the Junior Wardens is to maintain the Church buildings and grounds. In other words, if something breaks, we fix it. If we can't fix it, we get someone who can. If something needs to be mowed or trimmed, we make sure that happens. If anyone notices anything that needs to be addressed, please feel free to come to us. Also, we co-ordinate the regular Church-wide cleanup days. What we don't do, is decide on new improvement projects for the Church. That is the role of the Property Committee.

Kevin and I are still learning the job, but we have plans for the coming year. We intend to replace the toilets downstairs with more adult friendly-sized ones and put in handrails beside them. We also plan to address any safety issues anywhere around the property. I look forward to serving in this way for the coming year.

I'm Kevin May Co-Junior Warden, & Adult Ed/Christian Formation Liaison. I've been a member of COR since the spring of 2006 with my wife Kelly. I am involved in the Youth Ministry, Christian Formation, and Eucharistic Ministry, along with being the Junior Warden for 2011. I've been on the Vestry since the summer of 2009. I am currently working at KVAL-TV and teaching various classes at the School of Journalism and College of Education as an adjunct. I also sub throughout local school districts.

*Kevin May  
Co-Jr. Warden*

I see the role of the Junior Warden as being primarily in charge of the day-to-day maintenance of the grounds. We advise the property committee and work with other groups and individuals who are also responsible for the grounds. We also respond to issues that come up throughout the year and try to proactively anticipate issues before they become larger problems. A few of the many things I am planning on focusing on with Nick are the usability of our property, and perpetual maintenance of the grounds, in addition to, continuing to create and maintain a system for future junior wardens and others to draw upon in relation to all things concerning the grounds of the Church.

April 20, 2011

Dear Ones,

As I write to you, I have 30 days until graduation. Yes, on May 20, 2011 at 10.30 in the morning, the Good Lord willing, I will receive my Masters of Divinity from the Church Divinity School of the Pacific. I started taking classes back in 2007 and I have to say that I'm looking forward to being done.

During the next 30 days, I have lots of work to do. For my Pastoral Theology class I have a final project and final exam. For the project, I will make a presentation on a pastoral issue and resources available. I've chosen to focus on pastoral rites of passages such as *Quinceañera*, house blessings, celebration of life on a significant birthday, and divorce. I'm exploring what are the basic elements and structure for nourishing and effective rituals.

For my Church Music Class, I have to chant the parts of the Eucharist that are sung such as the Collect for Purity 'Almighty God, to you all hearts are open, all desires known,...', the *Sursum Corda* 'lift up your hearts...', the collect, the gospel, the dismissal, and etc. [Eight parts in all]. As most of you know, I'm not a skilled singer and I've had a steep learning curve. When I walk Reuben [the wonder dog, with whom I live], I put in the ear buds of my iPod and chant the parts. The neighbors have gotten used to me. They've stop running into their homes and locking the doors. No one has called the cops in weeks!

For my Issues in Ministry class, a group of five of us has been given a scenario that we will respond to and put together a portfolio of our response. The scenario I have is the fictitious Trinity Church, a small inner city parish with a combined problem of an aging congregation and growing homelessness in the neighborhood. We'll create a worship plan with sermon outlines, a response to the challenges of gentrification, outreach to the elderly in our congregation and in our neighborhood who are food insecure and facing other economic problems. I am enjoying collaborating with my fellow students, as most of the work I do here is solo.

In two weeks, I'll lead a funeral with a Eucharist in my Liturgical Leadership class. In this class, we practice leading different liturgies in completely realistic circumstances. The class is held in the chapel, we wear all the cool vestments, and at our practice baptism, we 'baptized' a beautiful 3-year-old boy. CDSP has its own coffin, which I'll use while leading the practice funeral. I've asked for volunteers for 'deacon' and 'lay assistant' but I don't need to ask

for a volunteer decedent. We don't replicate that part. I will create a bulletin and make the worship choices—the music and the readings, etc. I also will lead a Sunday Eucharist for practice. Presiding at the Table, even in practice, brings smiles to my face. Presiding is my heart's desire.

Assuming I get all these things done, graduation here we come! Then what's next?

I'm required to do clinical pastoral education [CPE], which is serving an internship as a chaplain for 3 months along with supervision and training. The summer CPE is full time 40 hours a week plus on call. And surprisingly I have to pay for the CPE training and they don't pay me for the work.

Dennis j+ and Peter Fones+ both told me to apply to programs early. I waited too long, even though I started in February. I contacted all the CPE sites in Oregon with no success. Either they don't offer a summer program, all the positions are yearlong residencies, or all the spots are filled. Then I turned to the Bay Area. I could continue to live with my friends, Sharon and Monza. But after looking, no spots within a one and a half hour commute. Then I thought of my brother in Denver. Since all of the Level I CPE units are non-stipendiary, I still need to work and I'd rather not have to pay for room and board in a second home.

I found one opening within an hour of Denver but I was the fourth applicant. Somehow, God moved and the supervisor selected me. The good news is I can stay with my brother and complete the CPE. The bad news is the program begins May 31, so I'll have to leave May 27 to drive to Denver and have a day to unpack. I will only be home for a week.

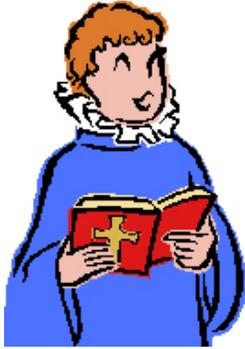

I was looking forward to a restful break and a chance to be with you in church. Unfortunately, I'll be home only for the week before I head off to Denver. I won't be with you until after I complete the CPE program. CPE will end August 19. Once again counting on the Good Lord, I should be back in Oregon by the end of August. Then I will meet with the Bishop and the Commission on Ministry for my final interview before ordination. I'm praying to be ordained to the transitional diaconate in September 2011.

I thank you for all of your support and prayers. It has been hard to be away from Kathleen, my children, my dog, Ladybug, and my work. And it has been hard to be away from you, my community of support and service. I miss worshiping, singing, and learning with you. I know we remain connected in the communion of saints yet I miss being in your loving presence. May God continue to bless us all.

Your seminarian, Nancy Gallagher

## Notes from the Loft

### Choristers

The month of May brings flowers and spring... and the promise of summer around the corner, making our Choristers very happy indeed. The first Sunday of May is the last Sunday service the Choristers will sing for us until Fall. Come hear this beautiful arrangement of two songs intertwined - *Wayfaring Stranger* and *Guide My Feet*.

But wait.... the Choristers' season would not be complete without the Year End Concert! Mark your calendars for May 22, Sunday at 4 pm. The Choristers will open with the instrumental they presented in April - *Whispering Hope*, and then sing for us all (or most) of the songs they've learned over the year. Don't miss it!

### Folk Mass

Stay tuned. Pentecost may be a real surprise!!

### COR Choir

Thank you to all the beautiful singers. The *Stabat Mater* was an incredible experience and makes us realize what we are capable of.

Holy Week is always a challenge and this year was no exception. Thank you to all who spent extra time to make it special.

Make a joyful noise unto the Lord! *The Music Team*
