

## HOME STARTER KITS

### PERFORMANCE MEASURES PLAN

A goal of the Home Starter Kits ministry is to hold ourselves accountable for completion of various tasks that we undertake throughout the year. In order to accomplish this, we will:

- Build into our Strategic Plan the following for each objective listed under our goals:
  - Tasks to be accomplished
  - Persons responsible for completion
  - Due date(s)
  - Resources needed
  - Evidence of completion
  
- Hold meetings of HSK leadership on a regular basis to re-examine the Strategic Plan, make changes to the plan as needed, and to support each other as we work on various tasks.
  
- Consult as needed with appropriate persons and groups within the church (Rector, Vestry, etc.) to be sure that we are continuing to align ourselves with the mission and vision of the church.
