

Grant Information and Application

The Episcopal Church of the Resurrection Outreach Commission

The Episcopal Church of the Resurrection formed an Outreach Commission in 2007 to serve the needs of the greater community beyond our doors in keeping with our faithful sharing of the Good News through Christ into the world. The Outreach Commission offers financial support in the form of grants awarded primarily to local established and emerging non-profit organizations addressing issues of community health, hunger, and homelessness. The Commission reviews grant requests up to \$500.

This local focus aligns with other Resurrection outreach efforts that include serving as an Egan Warming Site, supplying Home Starter Kits, staffing 2nd Sunday Breakfast, hosting Interfaith Family Shelter Week, and provisioning the weekly FISH Basket.

[[Please note: Funding will not be granted for tickets; sponsorships; events or fund-raisers; endowment funds; political organizations, campaigns, and/or candidates; individuals for personal use.]]

Grant Application and Guidelines
